BYLAWS

ARTICLE I

ASSOCIATION OF CO-OWNERS

Brookside of Livonia Condominium, a residential condominium located in Wayne County, Michigan, shall be administered by an Association of Co-owners which shall be a nonprofit corporation, herein referred to as the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Bylaws referred to in the Master Deed and Section 3(8) of the Act and the Bylaws provided for under the Michigan Nonprofit Corporation Act. Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to the Co-owner's Unit. The Association shall keep current copies of the Master Deed, all amendments to the Master Deed and other Condominium Documents for the Condominium available at reasonable hours to Co-owners, prospective purchasers and prospective mortgagees of Units in the Condominium. The Association, all Co-owners in the Condominium and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents. All capitalized terms used herein not otherwise defined herein shall have the same meaning as set forth in the Master Deed to which these Bylaws are attached as an exhibit or as set forth in the Act.

ARTICLE II

ASSESSMENTS

The levying of assessments by the Association against the Units and collection of such assessments from the Co-owners in order to pay the expenses arising from the management, administration and operation of the Association shall be governed by the following provisions:

1. Taxes Assessed on Personal Property Owned or Possessed in Common. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners and personal property taxes based thereon shall be treated as expenses of administration.
2. Receipts and Expenditures Affecting Administration. Expenditures affecting administration of the Condominium shall include all costs incurred in satisfaction of any liability arising within, caused by or connected with the Common Elements or the administration of the Condominium. Receipts affecting administration of the Condominium shall include all sums received by the Association as proceeds of, or pursuant to, a policy of insurance securing the interests of the Co-owners against liabilities or losses arising within, caused by or connected with the Common Elements or the administration of the Condominium.
3. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:
 - (a) The Annual Budget and Regular Monthly Assessments. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of

the Condominium, including a reasonable allowance for contingencies and reserves. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular monthly payments as set forth in Section 5 below rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual budget (excluding that portion of the budget allocated to the reserve fund itself on a non-cumulative basis). Since the minimum standard required by this subparagraph may prove to be inadequate, the Association should carefully analyze the Condominium to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. The Board of Directors shall annually consider the needs of the Condominium to determine if a greater amount should be set aside in reserve or if additional reserve funds should be established for any other purposes. The regular monthly Association assessments provided in this Article II, Section 3(a) shall be levied in the sole discretion of the Board of Directors.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other appropriate requirements of the Association. Special assessments referred to in this subparagraph (b) shall be levied only with the prior approval of more than 60% of all Co-owners in number and in value. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or of the members thereof.

4. Apportionment of Assessments. Unless otherwise provided herein or in the Master Deed, all assessments levied against the Co-owners to cover expenses of management, administration and operation of the Condominium shall be apportioned among and paid by the Co-owners in accordance with the percentage of value assigned to each Unit in Article V of the Master Deed.

5. Payment of Assessments and Penalty for Default. Annual assessments as determined in accordance with Article II, Section 3(a) above shall be payable by Co-owners in 12 equal monthly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment. Each installment in default for 10 or more days shall bear interest from the initial due date thereof at the rate of 7% per annum until each installment is paid in full. The Board of Directors may also adopt uniform late charges pursuant to Section 10 of Article VI of these Bylaws. Each Co-owner (whether one or more persons) shall be, and remain, personally liable for the payment of all assessments (including interest, late charges and costs of collection and enforcement of payment) levied against the Unit which may be levied while such Co-owner is the owner thereof, except a land contract purchaser from any Co-owner including the Developer shall be so personally liable and such land contract seller shall not be personally liable for all such assessments levied up to and including the date upon which, if applicable, such land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorneys' fees; second, to any interest and other charges for late payment on such installments; and third, to installments in default in order of their due dates. A Co-owner selling a Unit shall not be entitled to any refund whatsoever from the Association with respect to any reserve, account or other asset of the Association.

6. Effect of Waiver of Use or Abandonment of Unit. A Co-owner's waiver of the use or enjoyment of any of the Common Elements or abandonment of the Co-owner's Unit shall not exempt the Co-owner from liability for the Co-owner's contribution toward the expenses of administration.

7. Enforcement.

(a) Remedies. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against the Co-owner's Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association may also discontinue the furnishing of any utilities or other services to a Co-owner in default upon seven (7) days' written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to vote at any meeting of the Association so long as such default continues. In a judicial foreclosure action, a receiver may be appointed to and empowered to take possession of the Unit (if the Unit is not occupied by the Co-owner) and to lease the Unit and collect and apply the rental there from. All of these remedies shall be cumulative and not alternative.

(b) Foreclosure Proceedings. Each Co-owner, and every other person who from time to time has any interest in the Condominium, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the statutory lien that secures payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Condominium shall be deemed to have authorized and empowered the Association to sell or cause to be sold the Unit with respect to which the assessment(s) is or are delinquent to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by Michigan law. The Association, acting on behalf of all Coowners may bid at the foreclosure sale, and acquire, hold, lease, mortgage or convey the Unit sold.

(c) Notice of Action. The Association may not commence proceedings to foreclose a lien for unpaid assessments without recording and serving a notice of lien in the following manner:

(i) The notice of lien shall set forth the legal description of the Condominium Unit or Units to which the lien attaches, the name of the Co-owner of record thereof, the amount due the Association as of the date of the notice, exclusive of interest, costs, attorneys fees and future assessments.

(ii) The notice of lien shall be in recordable form, executed by an authorized representative of the Association and may contain such other information as the Association deems appropriate.

(iii) The notice of lien shall be recorded in the office of the register of deeds in the county in which the Condominium is situated and shall be served upon the delinquent Co-owner by first class mail postage prepaid, addressed to the last known address of the Co-owner at least 10 days in advance of the commencement of the foreclosure proceedings.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, plus any late charges, shall be chargeable to the Co-owner in default and shall be secured by the lien on the Unit.

8. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, if the mortgagee of a first mortgage of record or other purchaser of a Condominium Unit obtains title to the Condominium Unit as a result of foreclosure of the first mortgage, such person, its successors and assigns, is not liable for the assessments by the Association chargeable to the Unit which became due prior to the acquisition of title to the Unit by such person and the expiration of the period of redemption from such foreclosure. The unpaid assessments are deemed to be common expenses collectible from all of the Condominium Unit Co-owners including

such persons, its successors and assigns.

9. Developer's Responsibility for Assessments. Notwithstanding any other provisions of the Condominium Documents to the contrary, Developer shall not pay regular monthly Association assessments for . Units which are owned by Developer but unoccupied, but shall *only* reimburse the Association for actual expenses incurred by the Association which are reasonably allocable to such Units. Developer shall in no event be liable for any assessment levied in whole or in part to purchase any Unit from Developer or to finance any litigation or other claims against Developer, any cost of investigating and preparing such litigation or claim or any similar or related costs.

10. Unpaid Assessments Due on Unit Sale: Statement of Unpaid Assessments. Upon the sale or conveyance of a Condominium Unit, all unpaid assessments against the Condominium Unit shall be paid out of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature except (a) amounts due the State of Michigan or any subdivision thereof for taxes or special assessments due and unpaid on the Unit, and (b) payments due under first mortgages having priority thereto. A purchaser of a Condominium Unit is entitled to a written statement from the Association setting forth the amount of unpaid assessments outstanding against the Unit and the purchaser is not liable for any unpaid assessment in excess of the amount set forth in such written statement nor shall the Unit be subject to any lien for any amounts in excess of the amount set forth in the written statement. Any purchaser or grantee who fails to request a written statement from the Association as provided herein at least five days before the sale, or to pay any unpaid assessments against the Unit at the closing of the Unit purchase if such a statement was requested, shall be liable for any unpaid assessments against the Unit together with interest, costs and attorneys' fees incurred in connection with the collection thereof.

11. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

12. Construction Liens. A construction lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

ARTICLE III

JUDICIAL ACTIONS AND CLAIMS

Actions on behalf of and against the Co-owners shall be brought in the name of the Association. Subject to the express limitations on actions in these Bylaws and in the Association's Articles of Incorporation, the Association may assert, defend or settle claims on behalf of all Co-owners in connection with the Common Elements of the Condominium. As provided in the Articles of Incorporation of the Association, the commencement of any civil action (other than one to enforce these Bylaws or collect delinquent assessments) shall require the approval of a majority in number and in value of the Co-owners, and shall be governed by the requirements of this Article III. The requirements of this Article III will ensure that the Co-owners are fully informed regarding the prospects and likely costs of any civil action the Association proposes to engage in, as well as the ongoing status of any civil actions actually filed by the Association. These requirements are imposed in order to reduce both the cost of litigation and the risk of improvident litigation, and in order to avoid the waste of the Association's assets in litigation where reasonable and prudent alternatives to the litigation exist. Each Co-owner shall have standing to sue to enforce the requirements of this Article III. The following procedures and requirements apply to the Association's commencement of any civil action other than an action to enforce these Bylaws or to collect delinquent assessments:

1. Board of Directors' Recommendation to Co-owners. The Association's Board of Directors shall be responsible in the first instance for recommending to the Co-owners that a civil action be filed, and supervising and directing any civil actions that are filed.

2. Litigation Evaluation Meeting. Before an attorney is engaged for purposes of filing a civil action on behalf of the Association, the Board of Directors shall call a special meeting of the Co-owners ("litigation evaluation meeting") for the express purpose of evaluating the merits of the proposed civil action. The written notice to the Co-owners of the date, time and place of the litigation evaluation meeting shall be sent to all Co-owners not less than twenty (20) days before the date of the meeting and shall include the following information copied onto 8-112" x 11" paper:

(a) A certified resolution of the Board of Directors setting forth in detail the concerns of the Board of Directors giving rise to the need to file a civil action and further certifying that:

(1) it is in the best interests of the Association to file a lawsuit;

(2) that at least one member of the Board of Directors has personally made a good faith effort to negotiate a settlement with the putative defendant(s) on behalf of the Association, without success;

(3) litigation is the only prudent, feasible and reasonable alternative; and

(4) the Board of Directors' proposed attorney for the civil action is of the written opinion that litigation is the Association's most reasonable and prudent alternative.

(b) A written summary of the relevant experience of the attorney ("litigation attorney") the Board of Directors recommends be retained to represent the Association in the proposed civil action, including the following information:

(1) the number of years the litigation attorney has practiced law; and

(2) the name and address of every condominium and homeowner association for which the attorney has filed a civil action in any court, together with the case number, county and court in which each civil action was filed.

(c) The litigation attorney's written estimate of the amount of the Association's likely recovery in the proposed lawsuit, net legal fees, court costs, expert witness fees and all other expenses expected to be incurred in the litigation.

(d) The litigation attorney's written estimate of the cost of the civil action through a trial on the merits of the case ("total estimated cost"). The total estimated cost of the civil action shall include the litigation attorney's expected fees, court costs, expert witness fees, and all other expenses expected to be incurred in the civil action.

(e) The litigation attorney's proposed written fee agreement.

(f) The amount to be specially assessed against each Unit in the Condominium to fund the estimated cost of the civil action both in total and on a monthly per Unit basis, as required by Section 6 of this Article III.

3. Independent Expert Opinion. If the lawsuit relates to the condition of any of the Common Elements of the Condominium, the Board of Directors shall obtain a written independent expert opinion as to reasonable and practical alternative approaches to repairing the problems with the Common Elements, which shall set forth the estimated costs and expected viability of each alternative. In obtaining the independent expert opinion required by the preceding sentence, the Board of Directors shall conduct its own investigation as to the

qualifications of any expert and shall not retain any expert recommended by the litigation attorney or any other attorney with whom the Board of Directors consults. The purpose of the independent expert opinion is to avoid any potential confusion regarding the condition of the Common Elements that might be created by a report prepared as an instrument of advocacy for use in a civil action. The independent expert opinion will ensure that the Co-owners have a realistic appraisal of the condition of the Common Elements, the likely cost of repairs to or replacement of the same, and the reasonable and prudent repair and replacement alternatives. The independent expert opinion shall be sent to all Co-owners with the written notice of the litigation evaluation meeting.

4. Fee Agreement with Litigation Attorney. The Association shall have a written fee agreement with the litigation attorney, and any other attorney retained to handle the proposed civil action. The Association shall not enter into any fee agreement that is a combination of the retained attorney's hourly rate and a contingent fee arrangement unless the existence of the agreement is disclosed to the Co-owners in the text of the Association's written notice to the Co-owners of the litigation evaluation meeting.

5. Co-Owner Vote Required. At the litigation evaluation meeting the Co-owners shall vote on whether to authorize the Board of Directors to proceed with the proposed civil action and whether the matter should be handled by the litigation attorney. The commencement of any civil action by the Association (other than a suit to enforce these Bylaws or collect delinquent assessments) shall require the approval of a 66-2/3% in value of the Co-owners. Notwithstanding anything herein to the contrary, no proxy voting shall be permitted in connection with any such vote.

6. Litigation Special Assessment. All legal fees incurred in pursuit of any civil action that is subject to Section 1 through 10 of this Article III shall be paid by special assessment of the Co-owners ("litigation special assessment"). The litigation special assessment shall be approved at the litigation evaluation meeting (or at any subsequent duly called and noticed meeting) by a majority in number and in value of all Co-owners in the amount of the estimated total cost of the civil action. If the litigation attorney proposed by the Board of Directors is not retained, the litigation special assessment shall be in an amount equal to the estimated total cost of the civil action, as estimated by the attorney actually retained by the Association. The litigation special assessment shall be apportioned to the Co-owners in accordance with their respective percentage of value interests in the Condominium and shall be collected from the Co-owners on a monthly basis the total amount of the litigation special assessment shall be collected monthly over a period not to exceed twenty-four (24) months.

7. Attorney's Written Report. During the course of any civil action authorized by the Co-owners pursuant to this Article IX, the retained attorney shall submit a written report ("attorney's written report") to the Board of Directors every thirty (30) days setting forth:

(a) The attorney's fees, the fees of any experts retained by the attorney, and all other costs of the litigation during the thirty (30) day period immediately preceding the date of the attorney's written report ("reporting period").

(b) All actions taken in the civil action during the reporting period, together with copies of all pleadings, court papers and correspondence filed with the court or sent to opposing counsel during the reporting period.

(c) A detailed description of all discussions with opposing counsel during the reporting period, written and oral, including, but not limited to, settlement discussions.

(d) The costs incurred in the civil action through the date of the written report, as compared to the attorney's estimated total cost of the civil action.

(e) Whether the originally estimated total cost of the civil action remains accurate.

8. Monthly Board Meetings. The Board of Directors shall meet monthly during the course of any civil action to discuss and review:

- (a) the status of the litigation;
- (b) the status of settlement efforts, if any; and
- (c) the attorney's written report.

9. Changes in the Litigation Special Assessment. If, at any time during the course of a civil action, the Board of Directors determines that the originally estimated total cost of the civil action or any revision thereof is inaccurate, the Board of Directors shall immediately prepare a revised estimate of the total cost of the civil action. If the revised estimate exceeds the litigation special assessment previously approved by the Co-owners, the Board of Directors shall call a special meeting of the Co-owners to review the status of the litigation, and to allow the Co-owners to vote on whether to continue the civil action and increase the litigation special assessment. The meeting shall have the same quorum and voting requirements as a litigation evaluation meeting.

10. Disclosure of Litigation Expenses. The attorneys' fees, court costs, expert witness fees and all other expenses of any civil action filed by the Association ("litigation expenses") shall be fully disclosed to Co-owners in the Association's annual budget. The litigation expenses for each civil action filed by the Association shall be listed as a separate line item captioned "litigation expenses" in the Association's annual budget.

ARTICLE IV

INSURANCE

1. Extent of Coverage. The Association shall carry fire and extended coverage, vandalism and malicious mischief and liability insurance and worker's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements, and such other insurance as the Board of Directors deems advisable, and all such insurance shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Co-owners and Association. All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. Co-owners may obtain additional insurance upon their Units, at their own expense, in addition to the coverage carried by the Association. It shall be each Co-owner's responsibility to obtain insurance coverage for personal property located within a Unit or elsewhere in the Condominium and for personal liability for occurrences within a Unit or upon Limited Common Elements appurtenant to a Unit and also for alternative living expense in event of fire, and the Association shall have absolutely no responsibility for obtaining such coverage. The Association and all Co-owners shall use their best efforts to obtain property and liability insurance containing appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

(b) Amount of Insurance on Common Elements. All Common Elements of the Condominium shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the appropriate percentage of maximum insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association. Such coverage shall also include interior walls within any of the Villas Units and the pipes, wires, conduits and ducts contained therein and shall further include all fixtures, equipment and trim within a Villas Unit which were furnished by Developer with the Unit, or replacements of such improvements made by a Co-owner within a Unit. Any other improvements made

by a Co-owner within a Unit shall be covered by insurance obtained by and at the expense of said Co-owner; provided that, if the Association elects to include such improvements under its insurance coverage, any additional premium cost to the Association attributable thereto may be assessed to and borne solely by said Co-owner and collected as part of the assessments against said Co-owner under Article II hereof.

(c) Premium Expenses. All premiums on insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Condominium unless all of the institutional holders of first mortgages on Units in the Condominium have given their prior written approval.

2. Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium, shall be deemed to appoint the Association as the Co-owner's true and lawful attorney-in-fact to act in - connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium, with such insurer as may, from time to time, be designated to provide such insurance for the Condominium. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefore, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominiums shall be necessary or convenient to the accomplishment of the foregoing.

ARTICLE V

RECONSTRUCTION OR REPAIR

1. Reconstruction or Repair Unless Unanimous Vote to the Contrary. If any part of the Condominium shall be partially or completely destroyed, it shall be reconstructed or repaired unless it is determined by a unanimous vote of all Co-owners that the Condominium shall be terminated and each institutional holder of a first mortgage lien on any Unit in the Condominium has given prior written approval of such termination.

2. Repair in Accordance with Master Deed and Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the plans and specifications for the Condominium to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

3. Responsibility for Reconstruction and Repair. If the damage is only to a part of a Unit which is the responsibility of a Co-owner to maintain and repair, it shall be the responsibility of the Co-owner to repair such damage in accordance with Section 4 hereof. In all other cases, the responsibility for reconstruction and repair shall be that of the Association.

4. Damage to Part of Unit Which a Co-owner Has the Responsibility to Repair. Each Co-owner of an Estates Unit shall be responsible for the reconstruction and repair of all improvements within its Unit and each Co-Owner of a Villas Unit shall be responsible for the reconstruction and repair of the interior of the Co-owner's Unit, including, but not limited to, floor coverings, wall coverings, window shades, -draperies, interior walls (but not any Common Elements therein), interior trim, furniture, light fixtures and all appliances, whether free standing or built-in. In the event damage to any of the foregoing, or in interior walls within a Villas Co-owner's Unit or to pipes, wires, conduits, ducts or other Common Elements therein is covered by insurance held by the Association, then the reconstruction or repair shall be the responsibility of the Association in accordance with Section 5 of this Article. If any other interior portion of a Unit is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any Unit in the Condominium.

5. Association Responsibility for Reconstruction and Repair. The Association shall be responsible for the reconstruction and repair of the Common Elements (except as specifically otherwise provided in the Master Deed) and any incidental damage to a Unit caused by such Common Elements or the reconstruction and repair thereof. Immediately after a casualty causing damage to property for which the Association has the responsibility of repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the repayment of the costs thereof are insufficient, assessments shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair. This provision shall not be construed to require replacement of mature trees and vegetation with equivalent trees or vegetation. Assessments pursuant to this Article V, Section 5 may be made by the Association without a vote of the Co-owners.

6. Timely Reconstruction and Repair. Subject to Section 1 of this Article V, if damage to Common Elements or a Unit adversely affects the appearance of the Condominium, the Association or Co-owner responsible for the reconstruction and repair thereof shall proceed with replacement of the damaged property without delay.

7. Eminent Domain. The following provisions shall control upon any taking by eminent domain:

(a) The provisions of Section 133 of the Condominium Act of Michigan shall apply.

(b) In the event the Condominium continues after a taking by eminent domain, the remaining portion of the Condominium shall be re-surveyed and the Master Deed amended accordingly by the Association.

(c) In the event any Unit in the condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

8. Notices to Certain Mortgagees. In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC"), or in the event any mortgage is held by or insured by the United States Department of Housing and Urban Development ("HUD"), the Association shall give FHLMC and HUD written notice at such address as it may from time to time direct of any loss to or taking of the Common Elements of the Condominium, or any loss to or taking of any Unit, or part thereof, if the loss or taking exceeds \$10,000 in amount.

9. Priority of Mortgagees in Proceeds. Nothing contained in the Condominium Documents shall be construed to give a Co-owner or any other party priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

ARTICLE VI

RESTRICTIONS

1. Uses Permitted. No Unit shall be used for other than residential purposes. No Co-owner shall carry on any commercial activities anywhere on the premises of the Condominium. Notwithstanding the foregoing, Developer may conduct any of the activities expressly described in the Master Deed or its exhibits.

2. Alterations and Modifications. No Co-owner shall make alterations in exterior appearance or make structural modifications to any Unit (including interior walls through or in which there exist easements for support or utilities) or make changes in any of the Common Elements limited or general without the express written approval of the Board of Directors including but not limited to, exterior painting or the erection of decks, antennas, lights, aerials, awnings, doors, shutters or other exterior attachments or modifications; nor shall any Co-owner damage or make modifications or attachments to Common Element walls between Units which in any way impair sound conditioning qualities of the walls. 3. Activities. No immoral, improper, unlawful or offensive activity shall be carried on in any Unit or upon the Common Elements, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium, nor shall any unreasonably noisy activity be carried on in or on the Common Elements or within any Unit at any time. No Co-owner shall do or permit anything to be done or keep or permit to be kept in the Co-owner's Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if improved, which increased cost may be assessed to and collected from the Co-owner in the manner provided in Article IT hereof.

4. Animals or Pets. Without the prior written consent of the Board of Directors, no animal or pet other than two cats or two dogs or one cat and one dog, each not to exceed 60 pounds in weight, shall be kept in the Condominium with respect to anyone unit by the Co-owner or Co-owners thereof. All pets kept in the Condominium shall have such care and restraint as not to be obnoxious on account of noise, odor or unsanitary conditions. No savage or dangerous animal shall be kept. No birds which emit loud or obnoxious noises shall be kept. No animal may be permitted to run loose upon the Common Elements and any animal shall at all times be attended by a responsible person while on the Common Elements. The term "animal or pet" as used in this Section shall not include small animals which are constantly caged such as small birds or fish. All pets must be registered with the Board of Directors of the Association.

5. Aesthetics. The Common Elements shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in the Master Deed or in duly adopted rules and regulations of the Associations. All rubbish, trash, garbage and other waste shall be regularly removed from each Unit and shall not be allowed to accumulate therein. Unless special areas are designated by the Association, trash receptacles shall not be permitted on the Common Elements except for such short periods of time as may be

reasonably necessary to permit periodic collection of trash.
